

Entrusted Items Concerning Preparation of Draft Proposals for JIS

Newly Established

Divisional Council	T i t l e	Assigned Organization	Contact
Chemical Products	Test method for cation exchange capacity for artificial zeolite	Artificial Zeolite Forum	A
Consumer Life	Test methhods for artificial weathering fastness by xenon arc lamp light and sunshine carbon arc light	SUGA WEATHERING TECHNOLOGY FOUNDATION	B
Older persons and persons with disabilities	Guidelines for all people including older persons and persons with disabilities -Methods of displaying tactile guiding (mobility)map	The Kyoyo-Hin Foundation	B
Older persons and persons with disabilities	Guidelines for all people including older persons and persons with disabilities -Shape, color and arrangement of toilet and toilet operation equipment in public rest room	The Kyoyo-Hin Foundation	B
Older persons and persons with disabilities	Hoists for the transfer of disabled persons - Part1:Classification and General requiemment	Japan Assistive Products Association	B
Older persons and persons with disabilities	Hoists for the transfer of disabled persons - Part2:Mobile hoist	Japan Assistive Products Association	B
Older persons and persons with disabilities	Hoists for the transfer of disabled persons - Part3:Stationary hoists	Japan Assistive Products Association	B
Older persons and persons with disabilities	Hoists for the transfer of disabled persons - Part4:Rail guided hoists	Japan Assistive Products Association	B
Older persons and persons with disabilities	Hoists for the transfer of disabled persons - Part5:sling sheets	Japan Assistive Products Association	B
Older persons and persons with disabilities	Chair and seats with a erectrical mechanism assist standing up and sitting down	Japan Assistive Products Association	B
Older persons and persons with disabilities	Pressure distribution mattress	Japan Assistive Products Association	B

Older persons and persons with disabilities	Portable ramps	Japan Assistive Products Association	B
Electricity	Electrical installations of buildings - Part 7-710:Requirements for special installations or locations - Medical locations	The Institute of Electrical Installation Engineers of Japan	C
Electricity	Electrical installations of buildings - Part 7-712:Requirements for special installations or locations - Solar photovoltaic (PV) power supply systems	The Institute of Electrical Installation Engineers of Japan	C
Electricity	Electrical installations of buildings - Part 7-717:Requirements for special installations or locations - Mobile or transportable units	The Institute of Electrical Installation Engineers of Japan	C
Electricity	Performance test for stationary polymer electrolyte fuel cell stack	The Japan Electrical Manufacturers' Association	C
Electricity	Safety Evaluation Test for Stationary Polymer Electrolyte Fuel Cell Stack	The Japan Electrical Manufacturers' Association	C
Electricity	General rules for polymer electrolyte fuel cell systems	The Japan Electrical Manufacturers' Association	C
Electricity	Testing methods for polymer electrolyte fuel cell power systems	The Japan Electrical Manufacturers' Association	C
Electricity	Testing methods for environment of polymer electrolyte fuel cell power systems	The Japan Electrical Manufacturers' Association	C
Electricity	General safety code for polymer electrolyte fuel cell systems	The Japan Electrical Manufacturers' Association	C
Electricity	Testing and measurement techniques for EMC of polymer electrolyte fuel cell power systems	The Japan Electrical Manufacturers' Association	C
Electricity	Testing of grid interconnection power conditioner for polymer electrolyte fuel cell systems	The Japan Electrical Manufacturers' Association	C
Electricity	Photovoltaic (PV) stand alone systems - Design verification	The Japan Electrical Manufacturers' Association	C
Electricity	Secondary component reference cells	Optoelectronic Industry and Technology Development Association	C
Electricity	Solar simulator for multi-junction solar cells and modules	Optoelectronic Industry and Technology Development Association	C
Electricity	Measuring method of output power for multi-junction solar cells and modules (Component reference cell method)	Optoelectronic Industry and Technology Development Association	C
Electricity	Measuring methods of spectral response for multi-junction solar cells	Optoelectronic Industry and Technology Development Association	C

Electricity	Temperature coefficient measuring methods of output voltage and output current for multi-junction solar cells and modules	Optoelectronic Industry and Technology Development Association	C
Electricity	Outdoor measuring method of output power for multi-junction solar cells and modules	Optoelectronic Industry and Technology Development Association	C
Electricity	Plastic film or nonwoven fabric backed mica paper for post-pregnation(VPI)	Japan Electrical Insulating and Advanced Performance Materials Industrial Association	C
Electricity	Classification of environmental conditions-Part 2: Environmental conditions appearing in nature-Section 8: Fire exposure	Reliability Center for Electronic Components of Japan	C
Electricity	Crystalline silicon secondary reference module	The Japan Electrical Manufacturers' Association	C
Electricity	Arc welding equipment - Part 3 : Arc striking and stabilizing devices	The Japan Welding Engineering Society	C
Electricity	Electrical apparatus for explosive gas atmospheres - Part 1-1: Flameproof enclosures "d" - Method of test for ascertainment of maximum experimental safe gap	The Japan Electrical Manufacturers' Association	C
Electricity	Calculation and display methods of recycled and refuse resource utilization rate of electric or electronic equipment	The Japan Electrical Manufacturers' Association	C
Electricity	The marking for identification of plastic parts for electrical and electronic equipment	Association for Electric Home Appliances	C
Conformity Assessment Management System,	Conformity assessment - Requirements for bodies providing audit and certification of management systems	Japan Standards Association	D
Management System,	Information technology-Service management- Part1:Specification	Japan Information Processing Development Corporation	G
	Information technology-Service management- Part2:Code of practice	Japan Information Processing Development Corporation	G
