

Entrusted Items Concerning Preparation of Draft Proposals for JIS

Newly Established

Divisional Council	T i t l e	Assigned Organization	Contact
Architecture	Prescriptive Safety Requirements for elevators and escalators Part1: Rope drive Type Elevators	Japan Elevator Association	A
Architecture	Long-term durability test method for Wood-plastic recycled composite	Japan Construction Material & Housing Equipment Industries Federation	A
Chemical Analysis	General rules for Raman Spectroscopy	Japan Analytical Instruments Manufacturers Association	A
Chemical Products	Determination of the ultimate aerobic biodegradability of plastic material under controlled composting conditions-Method by analysis of evolved carbon dioxide- Part 2:Gravimetric measurement of carbon dioxide evolved in a laboratory-scale test	Japan Plastic Industry Federation	A
Chemical Products	Plastics-Aromatic isocyanates for use in the production of polyurethanes – Determination of the isomer ratio in toluenediisocyanate	Japan Plastic Industry Federation	A
Chemical Products	Plastics – Isocyanates for use in the production of polyurethanes – Determination of total chlorine	Japan Plastic Industry Federation	A
Industrial Machinery	Earth-moving machinery -- Hazard detection systems and visual aids -- Performance requirements and tests	Japan Construction Mechanization Association	A
Industrial Machinery	Earth-moving machinery -- Safety requirements for remote operator control	Japan Construction Mechanization Association	A
Industrial Machinery	Road construction and maintenance equipment - Asphalt mixing plants - Part1:Terminology and commercial specifications	Japan Construction Mechanization Association	A
Industrial Machinery	Road construction and maintenance equipment - Asphalt mixing plants - Part2:Standard form of specifications and testing methods	Japan Construction Mechanization Association	A
Logistics and Distribution of Goods	Industrial trucks - Specifications and test methods for operator restraintsystems - Part1:Lap-type seat belts	Japan Industrial Vehicles Association	A

Logistics and Distribution of Goods	Electric fork lift trucks - Test procedures of working hours in one charge	Japan Industrial Vehicles Association	A
Machine Element	Rolling bearings-Radial bearings, retaining slots-Dimensions and tolerances	Japan Bearing Industrial Association	A
Machine Element	Rolling bearings-aligning thrust ball bearings and aligning seat washers-Boundary dimensions	Japan Bearing Industrial Association	A
Machine Element	Set of Anchor Bolt whit Threads of Both Ends, Hexagon Nuts and Plain Washer for Structures	Japanese Society of Steel Construction	A
Non-Ferrous Metals	Methods for determination of mercury in aluminium and aluminium alloys	Japan Aluminium Association	A
Non-Ferrous Metals	Methods for determination of cadmium in magnesium and magnesium alloys	Japan Magnesium Association	A
Railways and Rolling Stocks	Train Control System using Radio Communication-Part 2- :System Requirement	Japan Railway Electrical Engineering Association	A
Testing and Measurement Technology	Optics and photonics Preparation of drawings for optical elements and systems Part14:Wavefront deformation tolerance	Japan Optical Industry Association(JOIA)	A
Testing and Measurement Technology	Optics and photonics Interferometric measurement of optical elements and optical systems Part4: Interpretation and evaluation of tolerances specified in ISO 10110	Japan Optical Industry Association(JOIA)	A
Testing and Measurement Technology	Optics and optical instruments - Field procedures for testing geodetic and surveying instruments - Part 8:GNSS field measurement system in real time kinematic RTK	Japan Surveying Instruments Manufactures Association	A
Testing and Measurement Technology	Methods of calibration for beta-radiation dose equivalent meter	Japan Electric Measuring Instruments Manufacturers Association	A
Consumer Life Products	Transfer boards and bathtub shelves	Japan assistive products association	B
Consumer Life Products	Bathseats to use in a bathtub	Japan assistive products association	B
Consumer Life Products	Duckboards to use in a bathroom and a bathtub	Japan assistive products association	B
Consumer Life Products	Test methods for non-woven fabrics	All Nippon Nonwovens Association	B

Electrical	Protection against lightning Part4: Electrical and electronic systems within structures	The Institute of Electrical Installation Engineers of Japan	B
Medical Equipment	Medical suction equipment- Part 1 : Electrically powered suction equipment-Safety requirements	Japan Association of Medical Equipment Industries	B
Electronics	Fiber optic interconnecting devices and passive components –Basic test and measurement procedures - Part 2-12: Tests - Impact	Optoelectronic Industry and Technology Development Association	C
Electronics	Fiber optic interconnecting devices and passive components –Basic test and measurement procedures - Part 2-14: Tests –Optical power handling and damage threshold characterization	Optoelectronic Industry and Technology Development Association	C
Electronics	Non connectorised single-mode 980/1550 nm WWDM devices	Optoelectronic Industry and Technology Development Association	C
Electronics	Non-connectorised single-mode fiber optic C-band/L-band WDM devices	Optoelectronic Industry and Technology Development Association	C
Industrial Automation	Machine tools – Test conditions for testing the accuracy of boring and milling machines with horizontal spindle – Part 1: Machines with fixed column and movable table	Japan Machine Tool Builders' Association	C
Industrial Automation	Machine tools – Test conditions for testing the accuracy of boring and milling machines with horizontal spindle – Part 2: Machines with movable column and fixed table	Japan Machine Tool Builders' Association	C
Industrial Automation	Machine tools – Test conditions for testing the accuracy of boring and milling machines with horizontal spindle – Part 3: Machines with movable column and movable table	Japan Machine Tool Builders' Association	C
Information Technology	Geographic Information - Geography Markup Language (GML)	Association of Precise Survey & Applied Technology	C
Information Technology	Geographic information - Schema for coverage geometry and functions	Association of Precise Survey & Applied Technology	C
Information Technology	Biometric performance testing and reporting-Part 1 principles and framework	Japanese Standards Association(JSA/INSTAC)	C
Information Technology	Biometric performance testing and reporting-Part 2: Testing methodologies for technology and scenario evaluation	Japanese Standards Association(JSA/INSTAC)	C
Information Technology	Near Field Communication Wired Interface (NFC-WI)	Information Processing Society of Japan	C
Management System	Environmental management - Life cycle management - Requirement and guidelines	Japan environmental management association for industry	G

Management System	Green Greenhouse gases - Part 1: Specification with guidance at the organization level for quantification and reporting of greenhouse gas emissions and removals	Japan environmental management association for industry	G
Management System	project level for quantification, monitoring and reporting of greenhouse gas emission reductions or removal enhancements	Japan environmental management association for industry	G
Management System	Green Greenhouse gases - Part 3: Specification with guidance for the validation and verification of greenhouse gas assertions	Japan environmental management association for industry	G
Management System	Greenhouse gases — Requirements for greenhouse gas validation and verification bodies for use in accreditation or other forms of recognition	Japan environmental management association for industry	G
