

Entrusted Items Concerning Preparation of Draft Proposals for JIS

Newly Established

Divisional Council	T i t l e	Assigned Organization	Contact
Measuring	Gas volume meters	Japan Measuring Instruments Federation	A
Measuring	Measuring systems for road tankers	Japan Measuring Instruments Federation	A
Electrical	Measurement principles for terrestrial photovoltaic(PV) solar devices with reference spectral irradiance data	Optoelectronic Industry and Technology Delopment Association	B
Electrical	Measurement methods for energy efficiency and energy consumption of polymer electrolyte fuel cell power systems	The Japan Electrical Manufacturers' Association	B
Electrical	Low-voltage electrical installations - Part 7-753: Requirements for special installations or locations - Floor and ceiling heating systems	The Institute of Electrical Installation Engineers of Japan	B
Medical Equipment	Testing methods for torsional properties, driving torque and pullout strength of metallic bone screws	National Institute of Advanced Industrial Science and Technology National Institute of Technology and Evaluation	B
Medical Equipment	Testing methods for bending properties of metallic osteosynthesis devices	National Institute of Advanced Industrial Science and Technology National Institute of Technology and Evaluation	B
Medical Equipment	Testing methods for compression bending properties of metallic osteosynthesis devices	National Institute of Advanced Industrial Science and Technology National Institute of Technology and Evaluation	B
Consumer Life	Measuring container bottles	Japan Glass Bottle Association	B
Older persons and persons with disabilities	Electric scooters for older persons	Japan Assistive Products Association	B
