

Entrusted Items Concerning Preparation of Draft Proposals for JIS

Newly Established

Divisional Council	T i t l e	Assigned Organization	Contact
Measurement	Alternating-current watt-hour meters(for direct connection)-Part 1 : General measuring instrument	Japan Electric Measuring Instruments Manufactures' Association	A
Measurement	Alternating-current watt-hour meters(for direct connection)-Part 2 : Measuring instruments used in transaction or certification	Japan Electric Measuring Instruments Manufactures' Association	A
Measurement	Watt-hour, Var-Hour and haximum demand indicators for telemetering- Part 1: General measuring instrument	Japan Electric Measuring Instruments Manufactures' Association	A
Measurement	Watt-hour, Var-Hour and haximum demand indicators for telemetering- Part 2: Measuring instruments used transaction or certification	Japan Electric Measuring Instruments Manufactures' Association	A
Measurement	Alternating-current watt-hour meters (for connection through instrument transformer)-Part 1: General measuring instrument	Japan Electric Measuring Instruments Manufactures' Association	A
Measurement	Alternating-current watt-hour meters (for connection through instrument transformer) -Part 2: Measuring instruments used in transaction or certification	Japan Electric Measuring Instruments Manufactures' Association	A
Measurement	Var-hour meters-Part 1: General measuring instrument	Japan Electric Measuring Instruments Manufactures' Association	A
Measurement	Var-hour meters-Part 2 : Measuring instruments used in transaction or certification	Japan Electric Measuring Instruments Manufactures' Association	A
Measurement	Instrument transformers for metering service-Part 1: General measuring instrument	Japan Electric Association	A
Measurement	Instrument transformers for metering service-Part 2: Measuring instruments used in transaction or certification	Japan Electric Association	A
Consumer Life	Method of impact test of rim for Strengthened Porcelain Tableware	National Institute of Advanced Industrial Science and Technology/ Japan Association for the Promotion of Pottery Industry/ Gifu Prefectural Ceramics Research Institute/ Saga Ceramics Research Laboratory	B

Electronics	Information technology equipment-Safety-Part 1: General requirements	Japan Business Machine and information System industries Association	C
