

Entrusted Items Concerning Preparation of Draft Proposals for JIS

Newly Established

| Divisional Council | T i t l e | Assigned Organization | Contact |
|---|--|--|---------|
| Measurement Technology | Fuel oil flow meters Measuring instruments used in transaction or certification Part 3: Small amount fuel oil flow meters | Japan measuring instruments federation | A |
| Electrical | Photovoltaic devices-Part 2: Requirements for reference solar devices | Optoelectronic Industry and Technology Development Association | B |
| Electrical | Photovoltaic devices-Part 3: Measurement principles for photovoltaic(PV) solar devices with reference spectral irradiance data | Optoelectronic Industry and Technology Development Association | B |
| Electrical | Photovoltaic devices-Part 7: Computation of the spectral mismatch correction for measurements of photovoltaic devices | Optoelectronic Industry and Technology Development Association | B |
| Older persons and persons with disabilities | Assistive products -Shower chairs | Japan Assistive Products Association | B |
| Older persons and persons with disabilities | Assistive products -Commode chairs | Japan Assistive Products Association | B |
| Older persons and persons with disabilities | Assistive products -Toilet seats attachment for squat toilets | Japan Assistive Products Association | B |
| Older persons and persons with disabilities | Turning aids | Japan Assistive Products Association | B |
| Older persons and persons with disabilities | Guidelines for the elderly and people with disabilities-Auditory signals on consumer products - Sound pressure levels of signals for the elderly and in noisy conditions | National Institute of Advanced Industrial Science and Technology | B |
| Older persons and persons with disabilities | Guidelines for older persons and persons with disabilities-Alternative format . . . | The Kyoyo-Hin Foundation | B |
| Consumer Life | Measurement method of thermal efficiency for domestic gas and oil water heater under standard usage mode | Japan Industrial Association of Gas and Kerosene Appliances | B |
| Consumer Life | Standard use conditions, standard acceleration mode and test conditions for domestic gas combination room heater and water heater | Japan Industrial Association of Gas and Kerosene Appliances | B |
